#### THROUGHOUT THE YEAR

Initial Ethics Training: Ensure that each new employee receives an initial ethics training (IET) [prior to 2017 was known as initial ethics orientation (IEO)] within three months from the time the new employee begins working for HHS. An online IET module is accessible by using the HHS Access Management System. The 20 minute ethics introduction that new employees may receive during a New Employee Orientation (NEO) session does not, on its own, fully satisfy the regulatory requirement for IET. You are responsible for tracking IET completion. It is helpful to send periodic reminders to employees required to be trained.

**DEC / EC Quarterly Meetings:** Dates will be shared as soon as meetings are scheduled.

**DEC Annual Workshop:** Will likely be held during the fall of 2021. Further details will be shared as they become available.

**Annual Ethics Training:** Annual ethics training (AET) must be completed by all public (OGE Form 278e) and confidential (OGE Form 450) financial disclosure filers. The deadline for 2021 AET completion will be announced at the time of its launch. You are responsible for tracking AET completion. It is helpful to send periodic reminders to employees required to be trained.

**IEC Meetings:** Interagency Ethics Council (IEC) monthly meetings are held on the first or second Thursday of every month. The IEC presents topics of interest to ethics advisors. To receive information on upcoming IEC meetings, please go to <a href="https://community.max.gov/x/rIL2P">https://community.max.gov/x/rIL2P</a> or <a href="https://community.max.gov/display/FTC/IEC+Journal">https://community.max.gov/x/rIL2P</a> or <a href="https://community.max.gov/display/FTC/IEC+Journal">https://community.max.gov/display/FTC/IEC+Journal</a>. Click on "Watchers" in the top right of your screen, and select "Watch This Page Family." This will allow you receive updates whenever a new post is added to the site.

Waivers: Copies of all conflict of interest waivers issued under 18 U.S.C. §§ 208(b)(1) and (b)(3) must be forwarded to the Ethics Division. At a minimum, waivers should be forwarded at the end of each quarter. All 208(b)(1) waivers require prior approval by Randall Hall, the HHS Alternate Designated Agency Ethics Official (ADAEO). Consult with your Advice Section attorney if you are considering issuance of a (b)(1) waiver. Components are to consult with the Ethics Division prior to the issuance of a 208(b)(3) waiver where such a review is practicable. For those rare instances where prior review is not practicable, a full Ethics Division review will occur after issuance.

Waivers from October 1 through December 31, 2020, are due the first week of January 2021. Waivers from January 1 through March 31, 2021, are due the first week of April; waivers from April 1 through June 30, 2021, are due the first week of July; waivers from July 1 through September 30, 2021, are due the first week of October. For fiscal year 2022, waivers from October 1 through December 31, 2021, are due the first week of January 2022.
